Winter Break

All of us at the Career & Tech. Ed. office wish you a happy, restful, safe, well-deserved, low-fat winter break. See you after the new year!

On-Line Course Evaluations

Here in a Flash

Would you like to add a little flash to your life? The CTE department is thinking of offering an Introduction to Flash class in the Spring. The class would focus on creative lessons to use in the classroom. It would be 3 hours once a week for 5 weeks. Please contact Donna if you are interested in such a class. You'd better hurry. This offer will be gone in a flash.
