

**Denver Public Schools and Emily Griffith Opportunity School (EGOS)
Career and Technology Education
Articulation Agreement
July 1, 2005-June 30, 2008**

STATEMENT OF INTENT

The intent of this articulation agreement is to enable the students from Denver Public Schools to transfer to the Emily Griffith Opportunity School (EGOS) in an advanced standing status. This agreement will exist to facilitate individual classes that are articulated only to EGOS. Approved courses successfully completed at Denver Public Schools (DPS) with a 'B' or better will be applied to either an Associate of Applied Science Degree or a Certificate in the appropriate career and technical area. (See Attachments 'A', 'B', 'C', and 'D' for lists of approved courses.)

NATURE OF THE AGREEMENT

- Program faculty from both institutions have compared competencies within the attached list of courses and have judged them to be common based upon CCCNS competencies and/or individual faculty review.
- The list of approved courses will be reviewed yearly. DPS will initiate the review in September.

TERM OF THE AGREEMENT

- The agreement shall run from July 1, 2005 to June 30, 2008.

ELIGIBILITY

- Student must enroll or be enrolled for credit at EGOS at the time of application for credit.
- Student must apply within three (3) years after their termination of student status with DPS.
- Student must receive a grade of 'B' or above in the high school articulated course(s).

FINANCIAL AID

Application for Federal Student Aid, commonly called financial aid, may require 2-3 months for processing. DPS students should apply during their last semester in high school. Financial aid applications are available from their high school counselor or on-line at EGOS website, www.egos-school.com.

Financial aid application may also be made on-line at www.ed.gov/studentaid.

TRANSFER PROCESS

DPS students follow the steps below:

- Step 1: Student should obtain a copy of the current **Articulation Agreement** and **Course Equivalency Document** from his/her Career and Technology Education (CTE) Resource Specialist at the high school. (These documents will be used in Step 5.)
- Step 2: Student should obtain an **official secondary high school transcript** from his/her high school records office. The courses that have been given advanced status will be marked with the prefix 'AA' on the transcript. (This document will be used in Step 5.)
- Step 3: Student should complete an EGOS application form at the registration counter or on-line at www.egos-school.com.
- Step 4: Student should take and satisfactorily pass the Accuplacer test in Room 207.

Step 5: Student should meet with the appropriate EGOS Advisor in the Registration area. Student must bring **official secondary high school transcript**, the **Articulation Agreement**, and **Course Equivalency Document** to that meeting. NOTE: The Accuplacer test must be completed prior to this; it is also important to have financial aid processes complete, if appropriate, prior to this meeting.

Appropriate Advisors are:

Jean Butler for Business and Computer Technology

John Cleary for Technical, Trades, and Industrial Technology

Laurie Hamilton for Health Occupations and Consumer and Family Studies

Step 6: Student should enroll in the courses selected in Step 5. No articulated credit is awarded until student has enrolled at EGOS.

LOCATION OF AGREEMENT AT INSTITUTIONS

A master copy of this agreement will be on file in the office of the Director of Instructional Services at Emily Griffith Opportunity School. Duplicates will be available in all other appropriate offices at EGOS.

The agreement will also be on file at the DPS Career and Technology Education Office, and at the following offices located at the individual DPS High schools: the Career and Technology Education (CTE) Resource Specialist Office, the Business and Marketing Education Departments, the Industrial Technology Departments, and the Counseling Offices.
