

Denver Public Schools
Articulation Agreement Course Equivalency Document
Attachment 'B'
Drafting and Technology

Denver Public Schools	ESCROW (Tentative) see Note page 2	EGOS	Community College of Denver	Arapahoe Community College	Community College of Aurora	Red Rocks Community College	Front Range Community College
	Current for May 16, 2006	Current for 2005-08 Note: Credit will be based upon demonstrated competencies in area of CAD application	Current for 2005-08	Current for 2005-08 Note: Students may request a challenge test for any class.	Current for 2005-08	Current for 2005-06	Note: FRCC requests that students wishing to articulate to FRCC do so within one year of graduation. Placement will be based upon instructor approval and/or portfolio
6870 AA Intro. to Engineering Design 1			CAD 240 Inventor (3)			CAD 240 Inventor (3)	
6871 AA Intro. to Engineering Design 2				CAD 240 Inventor			DRT 104 Technical Drafting IV (3)
6875 Principles of Engineering II							MTE 101 Intro to Manufacturing (3)
7060 AA Drafting Technology 1 &	DRT 101 Technical Drafting 1(3) OR CAD 101 Computer Aided Drafting 1(3)	CAD 101 Computer Aided Drafting 1(3)	DRT 101 Technical Drafting 1(3) OR CAD 101 Computer Aided Drafting 1(3)	DRT 101 Technical Drafting (3)		CAD 101 Computer Aided Drafting 1(3)*	DRT 101 Technical Drafting I (3)
7065 AA Drafting Technology 2	CAD 102 Computer Aided Drafting 2	CAD 102 Computer Aided Drafting 2 (3) OR CAD 110 Basic CAD (6)	DRT 107 Introduction to Sections and Auxiliary Views (3) OR CAD 102 Computer Aided Drafting 2 (3)	DRT 101 Technical Drafting or CAD 101 Computer Aided Drafting 1 (3)		CAD 102 Computer Aided Drafting 2 (3)*	DRT 102 Technical Drafting II(3) OR CAD 101 CAD I(3)
7070 AA Drafting Technology 3	DRT 103 Technical Drafting III (3) OR DRT 106 Introduction to Axonometric Views (3) OR CAD 102 Computer Aided Drafting 2 (3)	CAD 102 Computer Aided Drafting 2 (3) OR CAD 119 Intermediate CAD Applications (3)	DRT 106 Introduction to Axonometric Views (3) OR CAD 102 Computer Aided Drafting 2 (3)			CAD 102 Computer Aided Drafting 2 (3) *	DRT 103 Technical Drafting III(3) OR CAD 102 CAD II(3)
7072 AA Drafting Technology 4	CAD 202 Computer Aided Drafting 2 (3)		DRT 160 Intro to Industrial Drafting and Design (mechanical)	CAD 202 Computer Aided Drafting 2 (3)			CAD 202 CAD III 3/D
7074 AA Drafting Technology Adv. (2 semesters high school = 6 hours college)			Six hours of credit will be granted in appropriate area by CCD Professor according to student portfolio or appropriate demonstration of skill level.			Six hours of credit will be granted in appropriate area by RRCC Professor according to student portfolio or appropriate demonstration of skill level.	3 Credit Hours for each area (total of 6 credits) of emphasis according to student portfolio
