

## **Professional Organizations**

Career and Technical Education teachers and administrators are strongly encouraged to join the Association for Career & Technical Education (ACTE), a national organization supporting CTE programs. Colorado is a unified state, which means that membership in ACTE includes a state membership in the Colorado Association for Career and Technical Education (CACTE). CACTE is made up of divisions, which are:

- Administration (CACTA)
- Colorado Business Educators Association (CBEA)
- Colorado Marketing Educators Association (CMEA)
- Colorado Association Teachers of Family & Consumer Sciences (CATFACS)
- Trades & Industrial Education
- Engineering & Technology Education
- Health Science Technology Education
- Guidance & Career Development
- Special Populations
- Agricultural (CVATA)
- Adult Workforce Development
- New and Related Services
